The Feast of the Assumption of our Mother Mary will be celebrated this year on Sunday, Aug. 15th. God's wonder and victory is always at work within us and within all of creation. This mystery of the Assumption of Our Lady offers us great hope. *"Mary, though she knew death, did not experience corruption of her body, but has already been restored to her full personhood, body and soul, and enjoys the fullness of resurrection of the body even now. The victory of Christ's resurrection, the fullness of glorified personhood that awaits us all on the last day, is already at work in her, the first of the apostles. We can look to her and know that the path of the paschal mystery is the one along which, even now, God's victory is at work."* (Excerpt by Gilles Mongeau, S.J.) May we turn to Momma Mary with childlike trust, placing our hope in her loving motherly guidance to the heart of her Son, Christ Jesus.

FOOD ITEMS ~ We will continue to collect and gather the items listed below. They are very much needed. You may drop items off during Office hours, or simply bring them when you come for Mass. + Bottled water (in this hot weather) + Deodorants, soaps & razors + Packaged and canned soups + Cereal of any kind + Crackers ie. Ritz, Triscuits, etc.

SUNDAY OFFERINGS ~ Thank you, All, so much for your thoughtful generosity in offering continued financial help during this fluctuating "color-coded-pandemic", as well as this holiday Summer season. Your kind and generous support to the ongoing expenses and maintenance of our Church's building is truly appreciated.

- 1/ For ease of drop-off, there is a **mail-slot** beside the Parish Office LENNOX AVENUE (Tim Horton's side) door.
- 2/ E-transfer - please email to office@ctkp.ca
- 3/ Pre-Authorized debit forms are also available.

PROPERTY SECURITY ~ When you know you will be in the area of our Church and School, please consider making a quick detour – drive into the Parish parking lot for a few moments, glance around, and drive out. This visible activity on the property seems to deter loitering and discourages vandalism. Thank you for your consideration and care of our church.

Wishing everyone a fun, safe, healthy, peaceful, restful, adventurous, and a joy-filled Summer!

Year of Saint Joseph ~ *May we continue to unite our hearts in prayer with yours, Good Saint Joseph. Lead us in the way of your Son Jesus. + Amen.*

Sacraments of Penance ~ *You are invited to contact the Parish Office by phone to set up a suitable, convenient time to celebrate the Sacrament of Penance (confession), or Anointing of the Sick.*

The restrictions of the pandemic are gradually easing. This offers us the warm invitation to return to the church for the celebration of Mass. ...As we prepare for the communion procession, we are being reminded of the basic liturgical principle, which calls for full, conscious, active participation. We participate with our bodies, bodies that will be resurrected. We do so deliberately, knowing what we are doing.

We walk. We walk away from the past with its fears, hurts, harms; we walk away from the chains that bind us – sin, selfishness, bigotry and prejudice. We leave behind the garbage that weighs us down.

We walk forward. We walk toward someone, Jesus, the Risen Christ. Perhaps we need to reflect more frequently and more profoundly on the fact that we are not walking forward to receive some *think*; not even some *thing* very holy. We are walking forward to meet and receive the Son of God who has given himself to us by his dying and rising and continues to give himself to us in this act, which is just as intimate as any act we can think of.

We meet the Risen Christ. We share in his Body and Blood. We need to focus at this point not so much on adoring the presence of Christ in his sacramental Body and Blood as on the union that he is effecting with us and with one another. As we look at the communion procession, we cannot speak of communion with the Lord without at the same time speaking of communion with one another. What we have as Christians is never something we can keep as a possession but is rather something that needs to be shared in order to be enjoyed.

What all of this tells us is that the communion procession never really ends. The One whom we meet in communion is continuously leading us back into his Body with its many members who are in need.
